Istanbul... We just adore you..!

Our honeymoon was special. We stayed in this magnificent house on the shores of the Bosphorus. I love her more with every passing day, and what days we had! We went for day-long excursions, boat rides, shopping sprees, gourmet dinners and then long walks at night in the beautiful gardens. Wherever we went, people greeted us with genuine friendliness and offered us their traditional hospitality. *What a magical place Turkey is - we could stay here forever!*
